

SUNDAY RACE REPORTS

In challenging conditions the fleet of 10 dinghies took part in the sixth race of the late summer series. Keith Jones set of course around the Amroth, Pendine and Monkston marks. Simon and Maurice fought a closely contended contest. Simon snatched victory. Just 6 seconds separated the 2 of them. Young Sam found the conditions just too much but no doubt benefited from the experience. Unfortunately Emma had a broken tiller extension and also had to retire, and when a mounting on the starboard side shroud of Alan's Tasar came apart dramatically the mast collapsed. Fortunately no damage was done and there was no injury except to the helmsman's pride. The Tasar Alan and Martin will be back!
